WORK EXPERIENCE

Senior Solution Expert

Jan 2023 – Present

VML MAP

Lisbon, Portugal

- Translate business requirements into solutions in Salesforce Marketing Cloud, including troubleshooting issues using SQL in Automation Studio and Query Studio.
- Manage data imports and cleaning, ensuring data integrity from external tools like Google Cloud Platform, through automations triggered by APIs and File Drop from SFTP.
- Implement HTML campaigns based on real-time behavioral data, and engagement metrics (querying Data Views), displaying recommendations and dynamic content to accurate dynamic targets.
- Design and develop email templates, journeys, and automations in Salesforce Marketing Cloud, using Email Studio, Mobile Studio, Automation Studio and Journey Builder.
- Collaborate with global cross-functional teams, including Software Development and Data Insights.
- Customize and configure Marketing Cloud using AMPscript, SQL, and SSJS.
- Effectively communicate technical concepts to Marketing Operations and clients.
- Experience with Agile methodologies, including conducting Scrum ceremonies and using Jira's Kanban boards.

Campaign Specialist

Jan 2022 – Jan 2023

VML MAP

Lisbon, Portugal

- Create and deploy HTML emails using Salesforce Marketing Cloud.
- Develop target segmentation through SQL and Adobe workflows.
- Conduct QA checks to ensure content accuracy and proper Salesforce Marketing Cloud configurations.
- Assist with daily tasks in Salesforce Marketing Cloud and Adobe Campaign Standard, including incident review and email campaign scheduling.

Digital Marketing Intern

Mar 2021 – Jan 2022

Hey Digital Ventures

Lisbon, Portugal

- Manage different clients in a digital marketing agency environment.
- WordPress development, design, and management.
- Social media ads and copywriting.

PROJECTS

Personal Website | HTML, CSS, JavaScript 

- Developed from scratch a personal website to showcase projects, skills, and professional journey.

- Created a responsive layout with a mobile-first approach, ensuring optimal user experience across devices.
- Added an interactive dark mode toggle for enhanced accessibility and user customization.
- Focused on clean, efficient code structure, separating concerns across HTML, CSS, and JavaScript files.
- Integrated JS animations, such as an arrow that directs users to the "About" section, improving user interaction.
- Continuously updated and optimized the website for performance and usability improvements.

Qualigesso Website | HTML, CSS, JavaScript

- Designed and developed a WordPress website using Elementor Pro.
- Created responsive design for optimal viewing across all devices.
- Authored all website content, including product and service descriptions and company information.
- Integrated plugins for contact forms, social media, and enhanced security.
- Provide ongoing support, including updates and troubleshooting.
